

2016 Management of IT ∞ Knowledge Continuum

~ Charlottesville, VA, Friday, May 13, 2016 ~

Welcome to the 2016 Knowledge Continuum. This is 1-day executive program designed to provide business leaders with a cutting-edge learning experience focused on the management of information technology. Participants will be introduced to the latest approaches to leadership, innovation, design thinking, and emerging technologies. Learning will be accomplished through case studies, research reports, exercises, interactive classroom discussions, and networking with other participants (including alumni of the McIntire School's MS in the Management of IT program).
