Accounting Society at McIntire

(ASM) recognizes outstanding academic achievement in the field of financial information and sponsors programs that assist in the development of students interested in Accounting and Finance.

Advertising & Marketing Association

(AMA) provides opportunities to learn about the advertising and marketing industries through speakers, panels, and other events.

Alternative Investments Fund

(AIF) trains highly talented UVA students to be qualified investment professionals in the asset management industry. AIF aims to provide market-neutral absolute returns by conducting thorough research, rigorous risk management, and efficient asset allocation.

Black Commerce Student Network

(BCSN) provides Black/African-American prospective and current Commerce students with support and resources to ensure their success at McIntire.

Business Ethics Society

(BES) promotes active and critical study, discussion, and analysis of applied business ethics and corporate social responsibility.

Consulting Group at McIntire

(CGM) educates students about the various careers in consulting by working in real-life consulting situations and offering workshops to help students learn and refine case interview techniques.

Enactus

Works to empower individuals to construct their own wealth by enriching their minds with knowledge and skills that will stimulate and sustain a spirit of free enterprise, and inspire them to live an environmentally sustainable lifestyle.

Future Business Leaders of America

Phi Beta Lamda

If you are interested in developing leadership, communication, and team skills, or simply looking for an organization to meet and network with others at the local, state, or national levels, PBL is the organization for you.

Global Markets Group

(GMG) discusses international trade and investments, educates its members to learn and experience for themselves how to research, analyze, and pitch various companies and industries.

Hack Cville

HackCville develops the skills, networks, and entrepreneurial ability of talented UVA students. We accelerate our students' ideas, projects and startups through our experiential programs and tight-knit community.

Explore Business-Related Student Organizations

Latino Student Network

(LSN) provides Latino/Hispanic Pre-Commerce and Commerce students with the necessary support and resources to ensure their success at McIntire.

McIntire Investment Institute

(MII) is one of the few student-run investment institutes in the nation, and its purpose is to teach students about investing by using real money. Students handle all investment decisions.

Net Impact

Mobilizes the next generations to use their skills and careers to make a positive impact on the world through social entrepreneurship and sustainability.

Sales & Trading Group

(S&T) explores sales and trading through extensive simulations, financial models, and mathematical analyses. It offers members the opportunity to attain an in-depth understanding of sales and trading models.

Smart Woman Securities

(SWS) seeks to educate women about the fundamentals of investment and finance and aims to create a cohesive, supportive environment for women to achieve financial confidence and explore new career fields.

Sports Business Society

Offers a place for students to learn and discuss the rapidly expanding world of analytics and sabermetrics in sports, and how this information is changing the professional sports market. This club helps to bring together the worlds of academia and professional sports.

Student Entrepreneurs for Economic Development

(SEED) aims to help NGOs worldwide by providing consulting services that incorporate best practices to help them achieve a greater level of efficiency.

Undergraduate Real Estate Club

(VUREC) offers an open forum and an exchange of ideas among UVa faculty and students on the current, past and future state of Real Estate as a profession and its impact on a community. Related fields such as Architecture, Finance and Urban Planning will be discussed as well.

Virginia Case Club

(VCC) seeks to empower members with the confidence and ability to succeed in business case competitions and strives to offer a challenging and rewarding learning experience for all.

Virginia Consulting Group

(VGC) provides pro bono consulting services to for-profit clients around the world. This hands-on consulting experience provides students with vast education and career-based opportunities.

Virginia Venture Fund

(VVF) seeks to educate University of Virginia students about the funding of start-ups and raising money. VVF also sponsors local entrepreneurship by funding projects and working with entrepreneurs to help their ideas develop into fruition.

Women's Business Forum at McIntire

(WBFM) prepares women for the challenges of today's work environment through social events, academic seminars, panel discussions, and lectures and provides support and encouragement for female students to better adapt and excel.
