

## 2013 Management of IT ∞ Knowledge Continuum

~ Charlottesville, VA, Friday, April 5, 2013 ~

Welcome to the 2013 Knowledge ∞ Continuum! This one-day program is designed to provide business leaders with a cutting-edge learning experience focused on the management of information technology. Participants will be introduced to the latest approaches to leadership, innovation, architecture, emerging technologies, business analytics and social media. Learning will be accomplished through case studies, research reports, exercises, interactive classroom discussions, and networking with other participants.
